Budget Meeting

December 3, 2017

Attending: 29 members and friends

The meeting was called to order during the service.

Treasurer Tammy Sehn presented the 2018 Budget and explained changes from the previous year's budget. There was a question of how much offerings would need to increase to offset the negative total. Tammy indicated that she would look at the history of offerings.

Moderator Rick Lloyd called for a vote to approve the 2018 budget including the following resolution: It is resolved that the full compensation paid to the minister for ministerial services in 2018 by the Deansboro Congregational United Church of Christ be designated a housing allowance in terms of the Internal Revenue Code. The budget was passed.

The service then continued.

Respectfully submitted
