

CONGREGATIONAL CARE REPORT - 2020

The mission of the Congregational Care committee is to oversee events and occasions which involve members and friends of our congregation. 2020 was a difficult year in which to promote fellowship, as most of our cherished traditions and events had to be cancelled due to the Corona Virus Pandemic. Indeed, church services were suspended for over three months.

Coffee hours were halted in March 2020, and hopefully will resume once things return to some kind of normality. Still, get well, birthday, sympathy and thinking of you cards were sent out to friends and members as needed.

We did manage to publish 9 newsletters over the course of the year in an effort to keep the church members and friends up-to-date with happenings in the life of the church and with their friends of the church. Pastor Letty Umidi sent out Daily Devotionals to everyone via email and Facebook during the time the church was closed, and continues to send out bulletins to those reluctant to come to church.

We coordinated the gifts for six children we sponsored at Christmas time. Although our Christmas Eve Service was cancelled, a lovely assortment of poinsettias decorated the altar. Members of the Congregational Care Committee organized the arrangement.

In 2021, we hope to do more to reach out to those who are disenfranchised from our church in any way.

The Congregational Care Committee would like to thank the many people who helped this past year to achieve their mission.

Respectfully submitted,

Janet Dangler
Congregational Care Committee
