

Moderators Report

I don't believe we've had an annual meeting since the pandemic hit in March of 2020.

This year we just started getting back to normal with singing of hymns. We still require the wearing of masks.

We started off the year with Christmas Eve service, Maundy Thursday service, Palm Sunday service and Easter service.

We have not yet brought our turkey supper back but hopefully this year. The council discussed other ways of having fund raisers. If anyone has any ideas please let the council know.

The Women's Fellowship is having the rummage sale and they are having new windows installed in the church house.

Our lay preacher Letty Umidi retired as of the last of December.

We voted an ordained minister into our congregation, Thomas Lawton from Oxford, NY.

Respectfully submitted

Rick Lloyd
